

Vieira de Sousa

Douro Red Unoaked 2012

Our Vieira de Sousa unoaked is produced with grapes from a special vineyard in Quinta da Agua Alta, near the Douro River. This Vineyard is located in a fresh valley, facing east. Its location near the Douro River and her position makes this vineyard perfect for the most balanced and fresh grapes for this Douro wine.

The main grape variety for this wine is Touriga Franca and a small part of Touriga Nacional. It has aged in inox tanks, to keep the elegance and it's smooth fruit, to be true to itself.

This a very elegant and smooth wine. Fresh fruit and very balanced, fresh and full mouth.
